

Notes: The information shown below is for approvals during SBA's Fiscal Year to Date - 2009 (October 1, through September 30, 2009). This report covers loans made through the Columbus District and Cincinnati Offices in selected counties and shows the top Certified Development Company lenders in the counties in

The data provided is from a locally maintained data base and is sorted by the Total # Loans. The user of this information should be aware that changes may occur in the final data due to subsequent loan increases/decreases or other factors affected by timing differences. INFORMATION IS CURRENT AS OF 09/30/09.

The Total \$ Amount includes the 504 Loan \$ and the 504 Participation Loan \$ (amount of lender's participation). Most 504 projects involve 50% lender financing and 40% SBA 504 financing with a 10% contribution by the business.

NOTE: in FY2006 we only used this report to help prepare our Top 25 list. We did not need the Total\$Amount report so I removed that column. SVR
